

ALYSSA STAGGS

Vice President of Membership

The wonderful Alyssa Staggs is the Vice President of Membership for the 2018-2019 year. She is a junior attending Spanish Springs High School in Sparks, Nevada. Alyssa was born in California, but was raised in Nevada. She has lived in the northern and southern parts of the gambling state throughout her life (at least until age 18, at least that is the current plan). While in school, Alyssa is apart of the Foods and Nutrition classes and is very involved with it.

She is hoping to pursue a passion and to eventually be able to open up her own bakery, while also considering other career choices; for example photography and forensic science.

Alyssa has been a dedicated member of FCCLA for 3 years now and is planning on continuing that path. During her first year of FCCLA, she competed in the STAR event, Life Event Planning, and is now currently a State Officer. Along with being apart of FCCLA, Alyssa is also a member of SkillsUSA competing within the leadership competitions and the photography competition for 2 years.

When school and CTSO's do not consume her life. she enjoys to read books, do some sketching, and also going on road trips-- whether it is with friends or just for fun. While doing all the things she loves, she also does some babysitting jobs and also gets involved in local community service opportunities. Her dream after high school is to travel to Europe and explore the history and cultures that lie within.
