FCCLA KNOWLEDGE BOWL

Knowledge Bowl, a team event (1-4 participants per team), showcases the student's knowledge of general FCCLA topics – including history, facts, current information, acronyms, purposes, national programs, etc.

Note: Only top three (3) teams will be awarded medals – Gold (1st), Silver (2nd), and Bronze (3rd).

Note: This is not the same as the National FCCLA Knowledge Bowl event – please follow the Nevada guidelines only.

EVENT DIVISIONS
Junior: through grade 9
Senior: grades 10-12
Occupational: grades 10-12

ELIGIBILITY
1. Participation is open to any Nevada state affiliated FCCLA chapter member.

PROCEDURES & TIME REQUIREMENTS
1. Each team will line up in a single file row. All teams will be lined up side-by-side.

2. The first participant (front of team's row) will be asked a FCCLA Knowledge question. The participant will be given 30 seconds to answer the question. Only that participant is allowed to answer the question – they are not to receive any help from their team or the audience.

3. If answered correctly, that participant will remain in contention and move to the back of the team's row. The moderator will then ask a new question to the next team – participant 1. Follow the procedures noted in Steps #3 or #4 for correct/incorrect answers.

4. If answered incorrectly, that team member will be removed from the competition and will sit in the audience, leaving the team with fewer participants. The moderator will then move to the next team and ask the first participant the same question.

5. Repeat Steps #3 or #4 for correct/incorrect answers.

6. The final remaining participant will designate the winning team. The second to last will be designated as the second-place team and so on.

7. Each question will have a time limit of 30 seconds once the moderator has finished reading the question. Unanswered questions will be counted as incorrect and the participant will be removed.

8. Total event time is one hour (60) minutes.

GENERAL INFORMATION
1. Spectators may observe this event.

2. Participants must be dressed appropriately and professionally.

3. No electronic devices may be used. The use of such will result in immediate disqualification of the team.
