## WELCOME

As your 2021-2022 State President. I'd like to personally welcome you to the Nevada Association of Family Career and Community Leaders of America. It is an extremely exciting time for FCCLA as we urge growth, while we strive for new and exciting ways to preserve tradition. Your FCCLA officer team vows to remain passionate, hardworking, and selfless throughout our term. We are member-focused and will seek to create compassionate and determined leaders.

During this time of nation-wide and global change, we will meet changes head on. As a member of FCCLA, your job is to advocate for change and lead movements. This is a very inspiring time to be a part of our organization as we face the future with warm courage and high hope.

My personal mission for this year is to advocate for diversity and inclusivity through education. We plan to host different workshops that will focus on diversity awareness, with some of our in-the-work topics such as: cultural differences, respect, inclusivity around religious restrictions, gender neutrality, and systemic issues. While we vow to stick to tradition, it is our job as the leaders of tomorrow to understand and work against oppression. In addition to this, your officer team has so much more in store for you.

Our VP of Public Relations has many activities and competitions for you to participate in. Our VP of Community Service plans to inspire others with her passion through different community service projects, like Charity Water. Community Service teaches you empathy and generosity, which will only strengthen the communities of America. Our VP of Development aspires for more member-officer engagement. We will work to hear your feedback and opinions. Our VP of Membership has goals to increase membership and promote opportunities! Finally, our VP

of National Programs wants to encourage more members to participate by creating an interactive approach that will help our members with their futures. We are dedicated to making this year the best yet!

I'd like you to know that you, our members, are our most important and greatest asset! We are beyond excited to interact and communicate with you all. Don't ever hesitate to voice your opinion, concerns, or questions to us. We are here for you.

I am thrilled to welcome you to FCCLA and here's to infinity and beyond.

*Nia Anderson*
