Judges Needed

The Nevada FCCLA Competitive Events Program requires an extraordinary amount of effort, work, and volunteer spirit to be successful and truly prepare students for career achievement. If you have chaperones, contacts, and colleagues that are willing to judge events, we would love to get them involved. Please direct them to our website to sign up as a judge here:

<https://nevadafccla.org/conference-judging/>

Any questions regarding judging should be directed via email to: judge@nevadafccla.org

Leadership Opportunities

Running for State Office

During the State Leadership Conference, members will have the opportunity to run for an office on the 2024-2025 State Executive Council or as a Nevada National Officer Candidate. All members that are dedicated to FCCLA, have served as a chapter officer or committee member, have a passion for leadership, and enjoy working with others to improve the organization are encouraged to run for office. Please consult the State and National Officer Candidate Guide for a list of eligibility requirements. Being a State Officer for the Nevada Association of FCCLA is an incredible honor.

Each candidate must complete the 2024-2025 State Officer Candidate Packet, which can be found on the Nevada FCCLA website under “Run for State Office.” The application must be submitted, via upload, by February 1, 2024. Each chapter is eligible to have a maximum of three (3) students elected to the State Executive Council.

State Service Project – Chefs for Kids

While in Reno, FCCLA members will be able to take part in our State Outreach Project—Chefs for Kids.

Chefs for Kids is a nonprofit organization that aims to alleviate children's hunger and malnutrition through nutritional education and awareness.

Support the service project by:

- Purchasing a cupcake at the dance
- Requesting a song for \$1 at the dance

Voting Delegates

As a student-led association, the power to change, direct, and propel the association rests with student voting delegates. Voting delegates elect State Officers and approve amendments to the State Association Bylaws.

Voting Delegates are required to attend the following meetings:

- Voting Delegate Orientation
- Officer Candidate Meet and Greet
- Opening and Business Sessions
- Chapter Caucus
- Voting Session – ONLINE, students must bring a device to vote from.

Voting delegates will receive an orientation paper in their registration packet. Delegates must attend the voting session where they will be given instructions and cast their vote on Wednesday of State Leadership Conference. **Delegates must have a device to vote, whether it is a cell phone, laptop, or tablet.**

Each school should designate two (2) Voting Delegates to elect the Nevada State Executive Council, National Officer Candidates, and vote on Bylaws. Voting delegates are indicated by a ribbon added to their nametag. Ribbons will be in chapter packets at registration.

National Leadership Honor Roll

The National Leadership Honor Roll recognizes FCCLA members who achieve academic, leadership, and career success. To be recognized for the National Leadership Honor Roll, members need to achieve the following:

- 3.5 GPA
- Be a current FCCLA Member - affiliated online by February 1, 2024
- Complete a professional profile in LinkedIn
- Provide a brief testimonial on how FCCLA has positively prepared the member for college, career, and life success

Members who achieve National Leadership Honor Roll distinction will receive recognition at the State Leadership Conference. Honorees will also receive a certificate and lapel pin to commemorate their achievement.

Adviser Reminders

As leaders and teachers of young professionals, it is important that we prepare our students for this upcoming event. The following information will help you to plan for the State Leadership Conference (SLC) and prepare your students with important information about the conference.

Adviser Statement of Assurance/Code of Conduct

Nevada FCCLA has established a specific participant Conduct Code, which can be found at the end of this packet. Please review it carefully with your students prior to the conference.

Additional Conduct Code forms can be found on the Nevada FCCLA website under the Resources Tab. Each student must sign a Conduct Code form, found at the end of this packet, agreeing they will abide by the rules of the conference. Advisers will keep the Conduct Code forms on their person during State Leadership Conference and will turn in their Adviser Assurance form prior to conference or onsite at the registration desk.

Curfew

While attending the conference, please keep in mind this event has a curfew. Therefore, be mindful of this curfew when taking your students out for the evening. In addition, please make sure that there are no pizza deliveries after curfew, no running to the soda machine, or chapter meetings in an adviser's room running so late that students will be in the hall after curfew. As an adviser, please do your part to help make the system work for the benefit of everyone. Please plan for your chapter meetings and any late-night food supplies for your students within curfew requirements.

We all need to work together to keep the noise level in the hallways down during all hours. Remember there are other guests besides those with our organization.

Chapter advisers are responsible for the conduct of their chapter members. Unfortunately, simply checking to make sure your students are in their rooms at curfew does little to ensure they will stay there. Therefore, advisers should be visible in each hall for at least one hour past the published curfew.

Onsite Chaperoning

Having your students check in with you at least three times per day is recommended. Let your students know your whereabouts so they can easily do this. Have your students work together to remind each other of the times and locations for their events and activities. When you are busy assisting with an activity, make sure you let your students know where your assignment will be and have them write it down in their programs.

Remind students to thank the event staff, judges, and volunteers. They appreciate knowing their hard work has benefited the students. If you plan to use parent chaperones, encourage your officers to plan a special way to thank them at the conference or upon returning home.

Dance Behavior

Please go over with your students the appropriate behavior needed at all times while attending FCCLA events. Refer to the Participant Code of Conduct, found on the Nevada FCCLA website, www.nevadafccla.org. It is important to let our students know that they can and should approach any adviser chaperoning the dance if things become uncomfortable.

For example, some dancing lends itself to close body contact. This type of dancing can be problematic and some may feel that inappropriate touching is happening, while other students do not feel that way. While we cannot regulate how students dance, we can mention the need to be careful and be mindful of how others may feel while engaging in that type of dance. Certain members love the dances, others do not for the above reasons; please help so that the dances are comfortable for all.

Advisers present at the dance need to know that they can, and should, say something to the students or request the DJ change the beat of the music to help change the tone. This is to be done especially if they observe any inappropriate behavior. If poor behavior continues after being asked to change, those designated chaperones will have the authority to end the dance if needed. We want all our members to have a good time during this recreation period. However, any inappropriate behavior will not be tolerated. Advisers, please discuss this subject openly with your students.

If, in the opinion of the Board of Directors or State Staff, the dance behavior becomes inappropriate after attempts to moderate, the dance will be closed.

Visibility

Drop in and check on your students. Performing a "head count" at curfew time is vital. Be sure to physically see every student at curfew. Ask questions about events and have a conversation with them so you can see how things are going.

Publicity

Your chapter and Nevada FCCLA, in general, welcome positive publicity. Use participation for the SLC to generate some positive publicity. It is always nice for the public to know you have participated before you have to earn dollars for the national competition.

Students with Special Needs

If you contact us prior to the conference, we can make the conference and competition as barrier free as possible. Please inform us about people with special needs and any accommodations that may be needed during the registration process

Adviser Assignments

This year we will again need your assistance with Competitive Events. Please be prepared to assist as a lead or assistant lead. If you are bringing chaperones, we could use their assistance as well. Your support will continue to ensure a smooth-running conference.

SLC 2024 Drawing

Each chapter is encouraged to bring items for our SLC 2024 Drawing, which will be held prior to our Awards Banquet. Chapters interested in donating gifts to our Drawing are encouraged to bring them to Headquarters when they arrive on Tuesday. Students should be reminded to bring some extra cash to join in on the excitement! Student's can earn extra drawing tickets by attending workshops!

Registration Guide – Registration open January 1 – February 1

All registrations must be submitted electronically, via Register My Chapter; access online registration by visiting www.registermychapter.com/fccla/nv.

1. In your web browser, go to the web site that you were given for registration. A screen similar to the following screen should appear:
- 
2. Click the **Registration** button to begin registration. You will be asked to log in. You will be required to log in using the user name and password that is used for your online affiliation portal.
 3. The first time in, you will be asked to verify your school information. Double check all the fields and press the **Submit** button at the bottom to save any changes.
 4. You will need to add yourself as the adviser to the attendee list. Click **Add Adviser**. This will show a list of advisers from the affiliation portal. You can then use the drop down menu to indicate which adviser(s) will be attending. **If the adviser is greyed out and you are unable to add them then they have not been paid for in the affiliation portal. Please go to the affiliation portal and pay for their membership.
 5. Click the **Add Student** button to add a student to the list. This will bring you to a search box. It is recommended that you keep it simple and only search using one or two letters or leave it blank and it will bring up your entire list of student names. Use the drop down menu to indicate which student(s) will be attending. Indicate if the student will be volunteering, and select the appropriate Tshirt size. Then click the continue button. The system will then take you through detailed information for each student. **If the student is greyed out and you are unable to add them then they have not been paid for in the affiliation portal. Please go to the affiliation portal and pay for their membership.
 6. On the **Events** tab you can indicate what event each participant is participating in. To enter **team** events, be sure to select the correct team number. The number should be 1 for the first team for this event, and 2 for the second team for this event, etc.
 7. Continue adding names until you have entered all your students. If you attempt to enter more students in an event than are allowed, you will be informed and not allowed to exceed the event maximum. At any point, you may press the **View Registration** button to get an idea of your total invoice amount and a better understanding of who is registered for which events.

8. If you need to change any information for a student click on the **Edit** link next to the student name. You can also directly edit which event a student is in by clicking the **Event** link next to the student name.
9. If you will be bringing additional chaperones that are not part of the chapter you can use the **Add Other Name** button to enter their information.
10. When you are finished, press the **Finished Registering** button at the bottom. At this point, you may have several red messages at the top of the screen. Please read these carefully. Your registration will not be complete until these problems have been resolved. To correct this problem, click the **Back to Registration** link at the bottom. Select the student you may be having registration problems with and click the **Edit** link beside that student. Change the information you need to change, and press **Submit** to save. When you're finished making these changes, press the **Finished Registering** link again.
11. If you get a message that states that you have not met the minimum requirements for an event, then you must click the **Back to Registration** link and either add students to those events that are short or remove students from those events that are over the limit. When you're finished making those changes, press the **Finished Registering** button again.
12. When you have corrected any problems that may have appeared, press the **Confirm** link at the bottom to confirm that the estimate is correct. A copy of the email will be sent to you and to the State Adviser. **Print** a copy of this **registration estimate** from the Finished Registering screen. You can use this to begin processing payment through your business office. You will receive an official **Invoice** from the state business office following the closing of the registration system.
13. If you need to edit your registration, you may come back to this location and make changes until the close date/time. After that date/time, no more changes may be made.
14. To make changes, click on the **Registration** button at the left. After logging in, the list of Registered Individuals will appear. Simply click the **Edit** link and make any changes you need. When you do this, remember to press the **Finished Registering** button to check for problems and to resubmit the invoice.
15. Once you are finished with your registration, be sure to either click the **Log Out** link to make sure that the connection is securely closed or exit your browser. This will ensure that no one can get in and make changes to your registration.
