

SLC 2024

Grand Sierra Resort & Casino ♦ Reno, Nevada

ADVISER/CHAPERONE ORIENTATION

Emergency Contact Information:

Nicole Jacobs 505-259-8157 Grand Sierra Security 775-789-2334

Conference Registration/Overview:

- 530 members, advisers, and chaperones.
- 617 competitive event entries (several students are competing in more than one event)
- 200 volunteers, including judges, workshop presenters, exhibitors, and student volunteers.
- This conference could not happen without your help. A huge **THANK YOU** goes to all of you for your hard work and dedication to our students.

Health and Safety:

1. Please stress the importance of proper handwashing as advised by the CDC.
2. Handshakes are optional

Security Precautions for YOUR students:

1. Know where your students are at all times.
2. We are privileged to be in a destination that offers a great variety of activities for students and guests. Students should always travel in groups, and anything identifying them as a conference attendee should not be worn while outside (name tags, banners, etc.)
3. All advisers are deputized to handle each others' chapters. If there is a problem and you're the first one available, **DO YOUR BEST TO SOLVE IT**. We are all here for the same reason and should work together to ensure the best and safest event possible for students.
4. Make your students call their parents. Parents should know that their kids are safe, exactly where they are, and how to contact them in case of an emergency. Please advise students that cell service can be weak on the spa level.
5. Develop an emergency plan for students to check-in should an unforeseen event take place. Have one plan if it is safe to be inside and a backup if you're unable to be inside. Designate an emergency meeting place.
6. Curfew is a **MUST**. If students must be out of their rooms past curfew they must be accompanied by a chaperone. Hotel security is monitoring the hallways and is aware of our curfew policy.
7. Quiet time is 10 p.m. on sleeping room floors, and the hotel room floors are not the place to "hang out". If students wish to socialize, they must use the Arcade level.

In the case of an emergency situation:

1. All students are to check in with their local adviser at a designated emergency meeting place. Advisers, make that designation.
2. If you are not aware of your district's policy governing emergency situations, please contact your school district administration.
3. It is Nevada FCCLA's policy that in the event of a lockdown situation, students **DO NOT** leave the conference early unless it is with a parent or guardian.

Things to review with students:

1. Curfew is 11:30pm each evening. Curfew will be strictly enforced! You may require your students to be in their rooms earlier than this, suggestion is to have students in by 11:00 pm. Nightly room checks are strongly encouraged.
2. Dress code is in effect for students, advisers, and guests from 7:30 a.m. to 5:30 p.m. as well as during **all conference activities**, with the following exception—the Conference T-shirt and jeans are the dress code for the dance and tour. Reference the conference dress code on the website. Blazers are encouraged, but not required, business professional is required for all events except the dance.
3. Before you check out, ensure that the sleeping rooms occupied by your students are clean. The hotel will hold your school responsible for any damages – do your part to prevent this!
4. It is important that you check out **prior** to 11 a.m. on Friday. Please do not ask for more than one late check-out per chapter.
5. If students leave personal items in the rooms, be aware that hotel Lost and Found Departments hold onto the articles for a very brief time before they're given to charities. The owner is responsible for calling the hotel – they will not call room occupants. State staff does not manage a lost and found, we utilize GSR for this service.
6. Tell your students not to leave cash out in visible places, and to make smart decisions with their food money for the week.
